

REMARKS

This Preliminary Amendment is requested to reflect PCT Article 34 amendment made during International Stage to the specification and claim thus to place the application in better form for initial review and consideration by the Examiner. In the claims, multiple dependency has been rearranged and reference numerals have been removed. No new matter has been added.

Prompt and favorable examination of this application, as amended by this preliminary amendment, is respectfully requested. If the Examiner has any suggestions for placing this application in even better form, the Examiner is invited to telephone the undersigned at the number listed below.

In the event that any fees are due in connection with this paper, please charge our Deposit Account No. 18-0013.

Dated: April 25, 2005

Respectfully submitted,
